

4th Annual

Mardi Gras TYBEE

JOIN IN THE FUN!!

February 17th & 18th, 2011

Dear Tybee Business Owner,

We are excited to announce that the Tybee Island Tourism Council has now launched its Special Events segment as of late December 2011. Special events on Tybee, in particular, those that fall during our shoulder seasons are crucial to the island's economy. The TITC's Special Events segment inaugural undertaking will be the event production of the 2012 Mardi Gras Tybee celebration. This will be the 4th year of Mardi Gras Tybee, which was created by Tybee Fest to be a unique draw to our island during the late winter/early spring season, which is a slow time for island businesses. The events purpose is to attract overnight guests to the island which will provide an increase in revenue for island lodging providers, restaurants, shops, attractions and many other Tybee businesses.

We would like to commend Tybee Fest for their hard work and dedication to this event as well as the enormous success that they have had with the Tybee Island Pirate Fest. We understand that these are big shoes to fill, but we're up to the task and look to you as our business community for your continued support of Mardi Gras Tybee!

We are asking for your assistance in continuing to serve Tybee's business community and visitors by sponsoring the Mardi Gras Tybee event. And keep in mind that our goal is to bring more business to Tybee, so your contribution is an investment. Thank you for your support! - Tybee Island Tourism Council

Yes! I would like to be a Sponsor of Mardi Gras Tybee!
